

Swansea Public School Surround Care Parent Handbook

The Surround Care Program is an on-site before school and after school childcare program. It is self-funded through childcare tuition.

Program Organization:

Surround Care is part of the Swansea Public Schools and is subject to all relevant policies and procedures of the Principals, Superintendent and the Swansea School Committee.

Mission Statement:

To provide opportunities and pathways in a safe, supportive and technology-rich environment that engage, challenge and inspire students to achieve college and career readiness and to contribute to our 21st century community.

Purpose:

Recognizing the uniqueness and importance of each child, and given the responsibility we readily assume for the growth and development of our youth, the Swansea Public Schools offers a school-age child care program (Surround Care) in response to a need expressed by the parents of Swansea Students. Our purpose is to provide a warm, supervised, enriched environment, which is safe, supportive and creative.

Program Philosophy and Goals:

1. To provide secure, comprehensive childcare for children attending Swansea Public Schools.
2. To provide a positive environment that provides daily opportunities for children to:
 - Participate in self-directed learning activities.
 - Participate in adult-directed, structured activities.
 - Participate in both large and small group activities.
 - Engage in activities which are quiet and others which are active.
 - Enjoy free play.
3. To promote positive self-esteem for each child by providing an environment based on mutual respect and positive interactions.
4. To provide positive family-program relationships by ensuring open house-program communications.
5. Through this program we will strive to meet the childcare needs of the Swansea Public Schools.

Staff:

The childcare providers are First Aid and CPR trained and are responsible for the care of children and daily operation in their group. Surround care is staffed to maintain an approximate ratio of 1 staff member to 15 students in grades PK - 5.

The Surround Care Coordinator is responsible for billing, notices to parents, program planning and direct childcare to children as needed. They will handle all issues related to the Surround Care program. Surround Care issues will not be handled by the school administrator.
